PU PANAMERICAN UNIVERSITY

A leading Business School with a global mindset

At ENAE Business School, we believe in the power of education to transform lives and drive progress. Established in Murcia, Spain, our institution has a rich history of providing high-quality business education to students from all walks of life.

Our approach to business education is innovative and forward-thinking. We strive to stay at the cutting edge of the industry by incorporating the latest research and techniques into our curriculum. Our dedicated faculty members are experts in their respective fields and are committed to providing an unparalleled learning experience.

We are proud of the diverse and vibrant community at ENAE. Our students come from all over the world, bringing with them a wealth of different perspectives and experiences. This diversity enriches the learning experience and helps our students develop a global mindset.

Our Mission

The mission of ENAE Business School is to provide high-quality business education that empowers our students to succeed in today's competitive global marketplace. We are committed to helping our students achieve their full potential, and we strive to foster a dynamic learning environment that encourages innovation, creativity, and critical thinking.

Our programs are designed to provide students with the skills and knowledge they need to excel in their chosen fields, while our diverse and inclusive community promotes global citizenship and cultural understanding. Through our cutting-edge programs and dedicated faculty, we aim to help our students achieve their full potential and become leaders in their fields.

At ENAE, we offer a wide range of degree programs, from postgraduate to executive programs, as well as numerous professional development opportunities. Our programs are designed to help students develop the skills and knowledge they need to succeed in today's competitive business environment.

Direct communication between business participants, students, and professors facilitates the development of knowledge focused on entrepreneurship and business planning aligned with the economic, cultural, and social context in which our organizations operate.

Our Values

In everything we do, we are guided by our commitment to excellence and our core values of responsibility, entrepreneurial mindset and inclusiveness. We are proud to be a leading institution in the field of business education and look forward to continuing to provide our students with the knowledge and skills they need to succeed in their careers.

Responsibility. ENAE believes in the importance of fulfilling our duties right as well as doing the right according to our social and market responsibility. ENAE considers responsibility as a virtue to be instilled in executives and professionals in order to achieve personal and socially sustainable development. Social and individual responsibility leads to personal integrity for those who fulfill diligently their duties. ENAE believes in coherence and we do not teach what does not work on what we do not believe in.

Entrepreneurial Mindset. ENAE strongly supports and promotes the entrepreneurial spirit. This spirit is at the core of innovation, alternative thinking and decision-making looking for value creation. This search for value creation and risk acceptance is in the fabric of our business school.

Excellence. Requirement and rigour in our education are not opposed to openness and flexibility to new methodological approaches. Those interacting at ENAE Business School also connects the excellence in education delivery to respect for intellectual property and the responsible use of information.

Inclusiveness. The acceptance and understanding of cultural and personal diversity is a very positive feature and strength, furthermore in this growing integrated world with its increasing interconnectivity among people, countries and cultures.

Where is Murcia?

Living in Murcia, Spain

> Location

Murcia is one of the most important university cities in southeastern Spain. Easily accessible by car, train, or plane, the city is located just a 3.5-hour drive from Madrid, and it has its own international airport that serves both domestic and international destinations. The high-speed train service connects Murcia to major cities such as Madrid and Barcelona.

> About Murcia...

Murcia boasts of the best climate in Spain, with over 300 days of sunshine each year. This makes it an ideal destination for outdoor activities, such as hiking, biking, and water sports. Murcia is rich in natural resources and has a wide range of natural spaces that are perfect for outdoor exploration. The Mediterranean Sea is just a short distance away, and the nearby mountains provide a perfect backdrop for hiking and other outdoor activities. Students can enjoy a wide range of activities, from exploring the local wildlife and fauna to soaking up the sun on the beach.

> Facilities

Our campus is modern and spacious, with a total area of 2,200 square meters. We have 10 classrooms and 3 workrooms, which are designed to provide a comfortable and conducive learning environment for our students. Our facilities are equipped with state-of-the-art technology, such as advanced computer workstations, projectors, and sound systems. We also have a library and documentation room, which are well-stocked with a wide range of resources and materials to support our students' academic needs.

Overall, our campus is an excellent place to study and live. It is equipped with all the necessary facilities to support our students' academic pursuits, while the natural surroundings provide a perfect backdrop for relaxation and leisure. Students can enjoy a well-rounded university experience in a vibrant and dynamic city, which is sure to leave them with unforgettable memories of their time in Murcia.

>>

Practical information about living in Murcia

360 Learning

Immerse yourself in a 360º professional future experience

Our own method for a flexible and personalized hybrid training model.

The educational experience that combines online and classroom training, allowing students to interact with colleagues and teachers wherever they are.

Get a comprehensive training from a global perspective.

Discover the ENAE Universe:

Digitalization

By using high-definition screens and systems, you can participate in real time, no matter where you are.

G Suite environment

Google for Education applications will be available to all of our students.

New Virtual Campus

Online resources, recorded classes, activities, forums, and online resources are available in the virtual environment using the market's leading tools.

Experience-based learning

Through the study and analysis of real cases, we foster critical thinking and decision-making skills.

Unique experience

Webinars, activities, company visits or conferences with CEOs and managers will round off your Master's programme.

Employability

We will help you to boost your professional status through our job bank and under our professionals' guidance.

Safety

We guarantee safety at our facilities through our security protocol and implemented measures.

Modalities

Online learning

As flexible as you wish. This model combines online training through the Virtual Campus with onsite training, sharing the experience with your professors and classmates.Learn and interact through our 360º platform, where the teacher will impart classes online, as if you were there. You will also have access to class recordings, discussion forums, tests, activities and online resources. Everything through our Virtual Campus.

On Campus

Experience first-hand our self-developed "Learning by doing" method. Face-to-face classes two days a week, usually on weekends, Friday afternoon and Saturday morning

Blended with stay

The blended-with-stay learning option merges the best of face-to-face and online training in two stages:

- **Online stage**: weekly online classes via our Virtual Campus.
- **Onsite stage**: a 2-3 week stay in Murcia with intensive face-to-face classes in the morning and afternoon, as well as networking activities, company visits, and professional conferences.

Enroll by sending your agent application (**www.edvisor.io**) to your account manager.

- Complete an application form
- Passport copy
- Official transcripts and certificates from high school (for bachelor's applicants) or university (for master's applicants).*
- Language Proficiency (If applicable)
- Resume

**A degree in a specific field is required for certain Master's programs. However, for applicants without an academic or professional background in areas such as Business, Engineering, or Technology, the admission decision will be based on a combination of undergraduate academic performance, relevant professional experience, and letters of recommendation.*

Once the acceptance letter is issued, students must pay a **50% of the fees** to secure their spot in the program.

Frequently asked questions

Why study at ENAE Business School?

ENAE Business School aims to stand out through its pursuit of excellence in different areas of business management. It offers an excellent program to help students receive professional training and development. It is the leading business school in Murcia and it is among the best in the world according to the Forbes 2024 ranking. It has active professionals and entrepreneurs with teaching experience, as well as University of Murcia professors providing specialized postgraduate education in the form of Master's programs, executive programs, and professional courses. Over 13,000 students have passed through our classrooms in the University Campus of Murcia over the past 36 years, focused on the training of executives and postgraduates.

Is ENAE affiliated with any university?

Yes. The business school is affiliated with two public universities in the region, the Polytechnic University of Cartagena (UPCT) and the University of Murcia. This allows the school to combine its potential and encourage mutual knowledge, dialogue, and cooperation between the university and the business sector.

Does ENAE offer any officially recognized degree programmes?

Yes. ENAE offers **10 Master's Degree and 4 Bachellors Degree** in partnership with the University of Murcia (Spain), Polytechnic University of Cartagena (Spain) and Panamerican University. The Oncampus modality is delivered in our campus in Murcia (Spain).

Does ENAE have any business school certifications?

Yes. The school has ISO-EN-UNE 9001:2000 certification and is a member of the Latin American Council of Business Schools (CLADEA) and the Association to Advance Collegiate Schools of Business (AACSB).

How can I verify that my official ENAE degree is recognized internationally?

ENAE has a unique legalization process, known as the Hague Apostille, for university degrees that grants legal validity in all countries without the need for further authentication procedures. ENAE handles the Hague Apostille process for its graduates, making the process easy and convenient.

What are the teaching language on the official master programs?

They are taught entirely in English or in Spanish, it´ s the student decisión in which language he wants to study..

Can I study Spanish during the programme? Are there any subjects in Spanish?

Yes. You can attend Spanish classes during the year to learn a basic or more advanced level. These classes are voluntary and can last from one trimester to the whole academic year, and are not included in the fees. Please speak to your student advisor for more info.

> *Admission Process*

What qualifications do I need to enroll in ENAE's Master's programs?

Before beginning an ENAE program, you must have earned an undergraduate degree that allows you to pursue postgraduate studies in your home country. If you do not possess the required qualifications, your application will be deemed null and any degree you receive will be cancelled.

Is professional experience required for acceptance?

No, professional experience is not a requirement for admission, but it is a valuable condition when studying at the Master's level in management.

Can I apply for internships while enrolled in any of the Master's programs?

Yes, you can apply for internships through ENAE Business School's Professional Careers department. The department promotes and facilitates internships for students, both within Spanish companies and at internationally recognized companies of high prestige, which collaborate in the training and development of future professionals.

> *Financing and Grants*

Is financial assistance available for the Master's programs?

Yes. You can apply for academic merit and need-based grants. Additionally, your agent might be able to offer you a scholarship. To find out more, please speak to your appointed agent or request their contact information. You can also visit the scholarship section of our website by following the link provided.

> *Registration and Starting the course*

When do classes start in the Official Master Programmes in Management?

Courses start in October. Check the academic calendar that you will receive once enrolled. Please note that some candidates will be required to enrol in the Business Integration Path or in a Pre-Programme before the start of their MSc Programme depending on their academic background. The assistance will be mandatory for these candidates, who will be informed about it in their admission Letter. Please check dates with Programme Management before booking any flight.

Who should I contact regarding my foreign student visa?

The Spanish embassy or consulate in your country. If you are applying though your appointed agent, he will inform you on every step related to this.
